"Where potential arises!"

A NEW TERM. A RENEWED PURPOSE

Dear Arise Families,

Welcome back to a new term! We trust that our learners and families enjoyed a restful winter break and have returned refreshed for the months ahead.

A new term gives us the opportunity to refocus and renew our purpose. Although we are already more than halfway through the school year, there is still much growth, learning and progress ahead.

At Arise, we understand that growth looks different for every child. For some, it may be seen in improved marks or newly mastered skills. For others, it may be found in greater confidence, independence, perseverance or the courage to try again. Every step forward is worth celebrating. We are deeply grateful for our dedicated teachers and staff, as well as for the continued trust, support and cooperation of our parents. Together, we can help each learner reach their full potential.

To our learners: begin this term with renewed purpose. Work diligently, be kind, ask for help when needed and do not be discouraged by past challenges. Philippians 1:6 reminds us:

"He who began a good work in you will carry it on to completion."

May this term be filled with renewed energy, meaningful growth and many moments worth celebrating.

Warm regards,

Juliana & Wendy

"Where potential arises!"

IMPORTANT DATES

AUGUST

9 August – Women's day

10 August – Special School Holiday

SEPTEMBER

1 September – Spring Day

11 September – Literacy Day & Entrepreneursday

23 September – School closes

DECEMBER

5 December – Prize giving and family fun day

WELCOME TO THE ARISE FAMILY

We are delighted to welcome Teacher Megan Nieuwoudt, who joined the Arise family at the beginning of this term.

Teacher Megan has already brought warmth, enthusiasm and a caring presence to our school. We trust that she will feel at home as she gets to know our learners, parents and staff.

We pray that her journey at Arise will be filled with joy, purpose and many special moments. May God guide and bless her as she uses her gifts to make a meaningful difference in the lives of our learners.

Welcome, Teacher Megan! We are so happy to have you as part of our team.

OUR NEW WEBSITE IS LIVE

We are excited to announce that Arise has a brand-new website! Our website provides families with an opportunity to learn more about our school, our values, our approach to education and what makes the Arise community so special.

We warmly encourage all our parents to visit the website and share it with friends, family members and on their social media platforms.

Every visit and share helps more people discover Arise and increases awareness of our school within the wider community.

Greater online engagement can also strengthen our visibility when parents search online for a school for their children. By sharing our website, you are helping prospective families find Arise and learn more about the supportive, faith-centred education we offer.

Thank you for helping us spread the word and grow the Arise family!

ASCENSION DAY AT ARISE

At Arise, Ascension Day is an important part of our Christian faith and school identity. It commemorates the day Jesus ascended into heaven, forty days after His resurrection. His ascension reminds us that Jesus completed His earthly ministry and now reigns as our victorious King.

Before ascending, Jesus gave His followers the Great Commission—to share His love and make disciples of all nations. He also promised that the Holy Spirit would come to guide, strengthen and empower them.

To make this special celebration memorable, our learners came to school dressed as their favourite Bible characters. It was wonderful to see the creativity and enthusiasm with which they portrayed people whose stories teach us about faith, courage, obedience and trust in God.

Ascension Day is meaningful to us at Arise because it reminds us that our faith should influence every part of our lives. As a Christian school, we desire not only to develop our learners academically, but also to help them grow in faith, character, kindness and purpose.

We celebrate with the hope that Jesus is alive, that He is with us through His Spirit, and that He has called each of us to make a positive difference in the world around us.

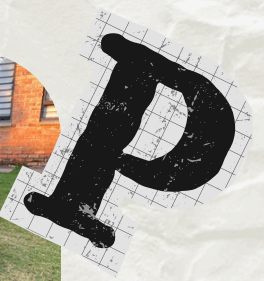

A PERFECT P-DAY

During May, Arise celebrated a fun-filled P-Day, where learners and teachers were invited to dress as something beginning with the letter P.

Our school was filled with princesses, pirates, police officers, painters, Pokémon characters and many other imaginative creations! Everyone embraced the theme with enthusiasm, making the day colourful, creative and full of laughter.

Thank you to all our families, learners and teachers who participated and helped make P-Day such a memorable occasion!

YOUTH ARTS FESTIVAL

RESULTS

Congratulations to all our talented learners who participated in the Youth Arts Festival! We are incredibly proud of the courage, creativity and dedication they displayed. Taking part in such an event requires confidence and commitment, and each learner represented Arise beautifully. We celebrate every participant and are delighted to share their wonderful results below.

Well done to you all!

EXTRA MURALS

At Arise, we are incredibly proud of the many ways in which our learners grow, develop and excel—not only in the classroom, but also beyond our school walls.

Many of our learners participate in sport, culture, music, dance, martial arts and other extracurricular activities. These achievements reflect their dedication, discipline, courage and willingness to develop their talents, and we believe that every milestone is worth celebrating.

We would love to share these special moments with the wider Arise family. Parents are therefore encouraged to let us know whenever their child receives an award, reaches an important milestone or achieves something noteworthy outside of school.

Please send us a photograph and a short description of the achievement so that we can celebrate our learners and give them the recognition they deserve.

IN THE CLASS

Never too old to play. Our Grade 7's are taking a break from all their hard work, and discovering their younger selves on the playground.

Our Grade 3's are not only strengthening their minds in class, but also their muscles. Looking good, Grade 3's

One of our Grade 1 students, helping a friend who is in need. Just shows you: a little kindness goes a long way.

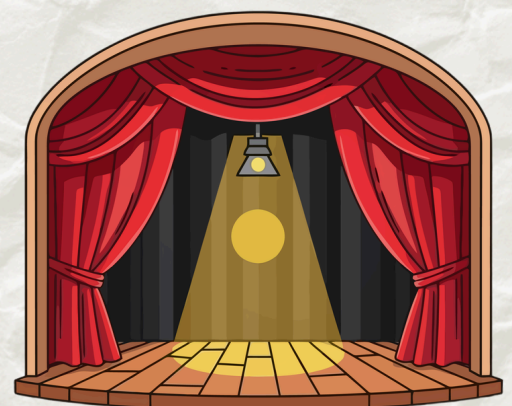

LIGHTS. CAMERA. ACTION

Our learners recently had the wonderful opportunity to visit the Roodepoort Theatre to watch The Big Bad Musical, presented in association with Stageworx.

This entertaining family musical placed some of our favourite fairy-tale characters in a courtroom, where the Big Bad Wolf was put on trial. Little Red Riding Hood, the Three Little Pigs, Grandmother Hood and other familiar characters each shared their version of the story, reminding us that there can sometimes be more than one side to every situation.

The lively music, colourful characters and humorous storyline made the production an enjoyable experience for our learners. It was wonderful to see their excitement as they experienced the magic of live theatre together.

Thank you to our teachers, staff, parents and transport providers who helped make the outing possible. It was a memorable day filled with laughter, imagination and learning beyond the classroom.

RUACH ART
BREATH OF LIFE, BRUSH OF ART

Ezekiel 37:9-10

Then He said to me, "Prophecy to the breath; prophecy, son of man, and say to it, 'This is what the Sovereign Lord says:

"Come, breath, from the four winds and breathe into these slain, that they may live."

So I prophesied as He commanded me, and breath entered them; they came to life and stood up on their feet - a vast army.
