"Where potential arises!"

MADE TO FLOURISH

Dear Arise Families,

As September brings the first signs of Spring, we are reminded of the beauty of growth and new beginnings. Our theme for this month, "Made to Flourish," reflects what we hope for every learner at Arise.

We believe that each child has been created with unique gifts, strengths and potential. Flourishing does not mean that every learner grows in the same way or at the same pace. Sometimes growth is seen in improved marks or achievements, but often it is found in quieter moments. Trying again, gaining confidence, showing kindness, taking responsibility or persevering through something difficult.

At Arise, we want our learners to grow not only academically, but also in character, resilience, confidence and faith. Our role is to create an environment where each child feels known, supported and encouraged to become all that God has created them to be.

Thank you to our parents and families for partnering with us in this journey. Together, we can continue to nurture potential, celebrate progress and help our children truly flourish.

"Those who are planted in the house of the Lord shall flourish in the courts of our God."

Psalms 92:13

Warm regards,

Juliana & Wendy

A SHOUT OUT TO OUR AMAZING TEAM OF TEACHERS

We would like to take a moment to celebrate our incredible team of teachers. Every day, they give so much more than lessons. They encourage, guide, support, adapt, listen and inspire. They notice the small victories, walk alongside learners through difficult moments, and continually look for ways to help each child grow and flourish.

We are incredibly grateful for the dedication, patience, creativity and heart that our teachers bring to Arise. The difference they make is seen not only in academic progress, but also in the confidence, resilience and character of our learners.

To our amazing team: thank you for all that you do, often far beyond what is seen. You are deeply valued and appreciated.

THE WALLS CAME TUMBLING DOWN

Our Foundation Phase learners had great fun learning about Joshua and the walls of Jericho during Bible. To bring the lesson to life, they marched around the school field, just as the Israelites marched around Jericho.

Through this practical activity, the learners were reminded of the importance of faith, obedience and trusting God, even when we may not fully understand His plan.

It was a wonderful way to make the Bible story memorable, meaningful and fun!

"Be strong and courageous... for the Lord your God will be with you wherever you go." – Joshua 1:9

SPRING INTO IDIOMS

To celebrate the start of Spring, our learners enjoyed a fun and creative Idiom Dress-Up Day! Learners were challenged to dress up as different idioms and bring these colourful expressions to life.

From “raining cats and dogs” and “a skeleton in my closet” to “fork in the road,” “head in the clouds,” and “playing open cards,” our learners impressed us with their imagination and creativity.

It was a wonderful way to combine language learning with fun while celebrating the beginning of a brand-new season. A big thank you to all our learners and families who put so much effort into making the day such a memorable one!
